

# Story-telling and planning workshops

## What happens?

- Read a story linked to nature, birds, insects or animals.
- Talk about the main parts of the story and how we could change it to suit our own story.
- Children plan their own story.
- Make, build or create something that will help us to remember our story back at school.
- Take a walk around the woodlands to spot the creatures involved in the story.
- Duration approx. 3 hours
